The exclusive FlexShare® add-on expands what you can share including dental and vision care, mental health services, naturopathic care, and more.

+ Faith-based support system

Join a Christian community that lifts each other up through life's health challenges.

+ Financial support for health needs

From routine checkups to unexpected emergencies, the REDEEM® community walks with you.

+ Freedom to choose providers

You decide what's best for your family. No networks, no restrictions.

A Biblical, non-insurance approach to health care

For 30 years our community has been redeeming health care by championing Biblical values, affordability, and health care freedom. REDEEM® HealthShare is not insurance. It's a community of Christians committed to sharing one another's medical needs through prayer and financial support.
